

Medical and Laboratory Supplies

Since its founding in 1949, Heinz Herenz Medizinalbedarf GmbH has proven itself as innovative and renowned partner for customers in the health care sector in more than 90 countries all over the world. Market-orientated development of new innovations as well as constant advancement of our products, protected by own patents and trademark rights, enable us to supply goods of highest standards at attractive pricing.

We provide our customers with high quality CE-certified consumables and disposables for laboratories and hospitals, produced in accordance with the latest state of the art, and under consideration of the high ISO standards.

Extensive customer-oriented consultation and advice through our skilled team of experts is equally part of the conception of ourselves as well as punctual, prompt delivery just in time based on adequate stock-keeping.

Constant good quality of our products, in combination with fair market prices, have proved a recipe for the satisfaction of our customers. And this is not just a matter of good organization and our certified Quality Assurance System. Even more it is a matter of attitude.

We are deeply convinced to be able to meet your expectations and are looking forward to welcome you as our new customer.
